October 2022

Dear Parents/Guardians, Clients:

We would like to make you aware of our procedure for delayed openings. In the event of inclement weather, we may decide to close for the day or to have a delayed opening. Should there be a delayed opening, all programs will open on the following schedule:

Program:	Will open:
Child Care	10:00 a.m.
School Programs	10:30 a.m.
Adult Programs	11:00 a.m.
Administration	10:00 a.m.

A delayed opening will ensure that the property and grounds are properly cleared. We are seeking to provide a safe and healthy environment for all during the winter months. It may be determined that roads are unsafe for our Agency vehicles and in that case Adult Day Transportation services may not be available on inclement weather day.

We have instituted an instant alert system. If you have registered for the system, you will receive a message on the phone number(s) you have designated. Please be sure to update your contact information if changed. You may also find information in the following manner:

- You may call our Lehmann or Schroth Center and when the recording begins, press “O” for emergency information.
- Information on delayed openings and closings will be posted on our website, <http://www.ladacin.org/>
- Information will be available on the following radio and television stations and web sites:
- News 12 New Jersey
- Fios1news.com

In the event that the decision is made to close the program after initially declaring a delayed opening, information may be obtained as discussed above.

If you have any questions, please call your Program Coordinator. Thank you for your cooperation.

Sincerely,

Patricia Carlesimo
Executive Director
